

THE PROJECT

Trafford Residences, a prestigious development by DV8 Developers, represents the epitome of modern living in Dubai South. This G + 4 building harmoniously combines contemporary architecture with outstanding comfort, providing residents with a luxurious lifestyle.

LOCATION

Dubai South is rapidly transforming into a pivotal center for real estate, driven by the massive \$35 billion expansion of Al Maktoum International Airport. This area is now emerging as a significant hub for residential and commercial pursuits, setting the stage for a new era in Dubai's architectural landscape with its commitment to sustainable and smart home projects.

RESIDENTIAL UNITS

1-Bedroom, 1-Bedroom plus Study, and 2-Bedroom Apartments

INTERIOR SPECIFICATIONS

Experience a harmonious blend of modern aesthetics and unmatched comfort. Each space showcases soothing color palettes, clean lines, and refined angles, meticulously crafted to offer a premium lifestyle.

Enter a realm of meticulous design where cutting-edge CM Kitchen appliances and refined Jaguar sanitary fittings redefine sophistication and functionality. Each aspect is carefully crafted to enhance your daily experience, merging luxury with practical elegance.
