

LAUNCHING SOON!

NEW ICONIC PROJECT IN DUBAI ISLANDS

VENTONE

Since its inception in Dubai, AYS Developers has built a reputation for creating modern, design-led communities that balance lifestyle, quality, and accessibility. With a presence across the UAE, Kazakhstan, and Russia, the company brings a global perspective to every development while remaining deeply rooted in service excellence. Each project reflects a commitment to thoughtful design, enduring value, and the belief that exceptional living should be within reach. Guided by integrity and innovation, AYS continues to craft spaces that inspire belonging, growth, and lasting satisfaction.

A new standard of modern living.

AYS

ABOUT VENTONE

Ventone by AYS Developers embodies the company's vision for modern, attainable luxury and meaningful living. Located on Dubai Islands, it combines refined architecture, natural light, and sweeping sea views to create a sense of calm and sophistication. Each residence integrates smart technology, premium finishes, and carefully planned layouts that enhance comfort and long-term value. As part of AYS Developers' commitment to excellence, Ventone represents a balance of design, function, and lifestyle, offering residents a space that feels both contemporary and enduring.

AFFORDABLE LUXURY, REDEFINED

Ventone by AYS Developers reflects the company's vision of modern, attainable luxury shaped by design, comfort, and long-term value. Positioned on Dubai Islands, it offers refined architecture, natural light, and sea views that define a calm yet connected way of living. Each home combines smart technology, premium finishes, and thoughtful layouts that enhance everyday comfort and appeal to a new generation of investors. Built with a focus on quality and lifestyle, Ventone represents AYS Developers' ongoing pursuit of excellence and its commitment to creating spaces that feel enduring, balanced, and distinctly Dubai.

WHERE THE CITY MEETS THE SHORE

Dubai Islands marks a new era in the city's expansion, built around connection, openness, and waterfront living. Formed by a collection of purpose-built islands, it brings together residences, retail, hospitality, and recreation within one coastal address. The concept is simple, a place where design meets everyday life, where sea views and city energy coexist in harmony. Dubai Islands represents a modern vision of balance, accessibility, and enduring value for those who see Dubai as home and opportunity in equal measure.
