20 YEARS OF IMAGINING THE IMPOSSIBLE

A Message From The Chairman

Twenty years ago, OMNIYAT began with a clear vision to imagine what others believed impossible, and to bring it to life with conviction and artistry. Over two decades, that aspiration has evolved into a legacy of creation.

Through OMNIYAT's innovative design philosophy, we have transformed ideas into enduring icons that redefine how people live, work, and experience the world around them. Each creation reflects our belief in design as an art form shaped by purpose, precision, and emotion.

This milestone is a celebration of imagination, perseverance, and the people who bring vision to life every day. To our dedicated teams and valued partners, your commitment and trust have helped bring OMNIYAT's vision to life.

Together, we have imagined what once seemed impossible. And the next chapter of OMNIYAT's story will be our most inspiring yet.

Mahdi Amjad
Founder and Executive
Chairman of OMNIYAT
