DUBAI MARITIME CITY

An aerial photograph of a white speedboat moving through deep blue ocean water. The boat is positioned on the right side of the frame, leaving a thick, white, circular wake that spirals outwards. The water's surface is textured with small ripples and reflects light, creating a shimmering effect. The overall color palette is dominated by various shades of blue and white.

Ease of
doing business

1. Aligned with dubai 2040 plan

Dubai Maritime City supports Dubai's 2040 Plan, promoting sustainable growth, smart infrastructure, and vibrant coastal living.

2. Marine academy

An academic quarter will foster marine education, research, and training, reinforcing Dubai's standing as a global maritime innovation hub.

3. Sustainable growth

Developed in line with Dubai's 2040 Urban Plan for smart, future-ready communities.

4. Waterfront & marina upgrades

Dubai Maritime City will expand its waterfront with marina districts, berthing facilities, and leisure promenades, blending lifestyle with maritime culture.

5. Centralised location

The district will gain new bridges, upgraded roads, and Shindagha Corridor access, improving connectivity to Downtown Dubai, Sheikh Zayed Road, and the airport.

6. Global significance

Set to become a center stage for waterfront luxury and marine culture in the region.
