Apartments

A Perfectly Poised Address

Nestled in the heart of Jumeirah Village Circle (JVC), this thriving community offers the perfect blend of serenity and city convenience. Designed for modern living, JVC is a neighborhood where lush green landscapes meet contemporary architecture, creating an environment that is both vibrant and peaceful. With seamless connectivity to Dubai's key destinations, top-tier schools, shopping hubs, and leisure attractions, every necessity is just moments away.

Mini Golf

The background is a solid dark brown color. It features a series of concentric, rounded rectangular outlines that create a sense of depth and movement, radiating from the center. Overlaid on these are vertical and horizontal bands of a slightly lighter brown color, forming a subtle grid pattern. The overall effect is modern and sophisticated.

Interiors That Speak of *Luxury*

Al Mashriq

Group of Companies

Al Mashriq Group is your trusted partner in Real Estate, Project Development, and Telecommunication. With over two decades of experience, we have become pioneers in these industries, having a network not only in the UAE but also across the United States, Europe, Singapore, Saudi Arabia, and the wider region.

Project Development

Our collateral team of highly skilled professionals collaborates closely with architects, engineers, contractors, and local authorities to ensure successful project delivery, adhering to the highest standards of quality, sustainability, and safety.

Our success stems from our commitment to customer satisfaction, innovation, and delivering tailored solutions. We excel in on-time, on-budget, high-quality project delivery. We adapt to industry trends, embrace technology, and thrive on overcoming challenges.

Choose Al Mashriq Group as your partner to ignite possibilities, unlock potential, and elevate your projects to new heights of success.

Telecommunication

As technology continues to advance rapidly, the telecommunication industry plays a pivotal role in connecting people globally. In the Telecommunications segment, we have a strong presence with an extensive supply chain and trading network. Our deep understanding of clientele needs allows us to provide top-notch services, solutions, trading, and supply chain management.

Real Estate

In the realm of Real Estate, we specialize in a wide range of services including property development, investment, sales, and management in the Asian & Middle-East Regions. We have successfully completed a substantial count of residential and commercial segments in the region, catering to the evolving needs of our clients.

Design Centre

Design is at the core of what we do. Our design and architecture services are a blend of innovation and practicality, where aesthetics harmoniously meet functionality. Our team of visionary architects and designers works closely with clients to understand their unique visions and needs.
