

THE QUAYSIDE

BY ELLINGTON

PROJECT BRIEF

A photograph taken from the deck of a boat, looking out towards a city skyline. In the foreground, a dark blue metal railing curves along the edge of the deck. To the left, a white structure, possibly part of the boat's superstructure, is visible. In the background, a body of water stretches towards a city skyline. A tall, slender skyscraper, likely the Burj Khalifa, stands out prominently among other buildings. The sky is a pale, hazy blue, suggesting a clear day. The overall mood is serene and peaceful, contrasting the natural setting of the boat with the urban environment of Dubai.
